Independent Auditor's Report

We have audited the accompanying statement of receipts, disbursements, and excess fees of the County Sheriff of McCracken County Kentucky, for the year ended December 31, 2000. This financial statement is the responsibility of the County Sheriff. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and the Audit Guide for County Fee Officials issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the County Sheriff's office prepares the financial statement on a prescribed basis of accounting that demonstrates compliance with the modified cash basis and laws of Kentucky, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the receipts, disbursements, and excess fees of the County Sheriff for the year ended December 31, 2000, in conformity with the modified cash basis of accounting.

To the People of Kentucky
Honorable Paul E. Patton, Governor
T. Kevin Flanery, Secretary
Finance and Administration Cabinet
Dana Mayton, Secretary, Revenue Cabinet
Honorable Danny Orazine, County Judge/Executive
Honorable or Frank G. Augustus, County Sheriff
Members of the McCracken County Fiscal Court

In accordance with Government Auditing Standards, we have also issued a report dated October 3, 2002, on our consideration of the County Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

Respectfully submitted,

MCCRACKEN COUNTY
NOTES TO FINANCIAL STATEMENT

December 31, 2000

Note 1. Summary of Significant Accounting Policies

A. Fund Accounting

A fee official uses a fund to report on the results of operations. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

A fee official uses a fund for fees to account for activities for which the government desires periodic determination of the excess of receipts over disbursements to facilitate management control, accountability, and compliance with laws.

B. Basis of Accounting

The financial statement has been prepared on a modified cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles. Under this basis of accounting, certain receipts and certain expenditures are recognized as a result of accrual at December 31, 2000.

The measurement focus of a fee official is upon excess fees. Remittance of excess fees is due to the County Treasurer in the subsequent year.

C. Fee Pooling

The McCracken County Fiscal Court approved a fee pooling system for the County Sheriff. Under the fee pooling system, revenues net of direct expenses of the County Sheriff's office are paid to the County Treasurer in the subsequent month. Therefore, the County pays almost all of the expenses of the County Sheriff's office.

D. Cash and Investments

At the direction of the fiscal court, KRS 66.480 authorizes the County Sheriff's office to invest in the following, including but not limited to, obligations of the United States and of its agencies and instrumentalities, obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States, obligations of any corporation of the United States government, bonds or certificates of indebtedness of this state, and certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation (FDIC) or which are collateralized, to the extent uninsured, by any obligation permitted by KRS 41.240(4).

Note 2. Employee Retirement System

The county officials and employees have elected to participate in the County Employees Retirement System (CERS), pursuant to KRS 78.530 administered by the Board of Trustees of the Kentucky Retirement Systems. This is a multiple-employer public retirement system that covers all eligible full-time employees. Benefit contributions and provisions are established by statute. Nonhazardous covered employees are required to contribute 5.0 percent of their salary to the plan.

MCCRACKEN COUNTY
NOTES TO FINANCIAL STATEMENTS
December 31, 2000
(Continued)

Note 2. Employee Retirement System (Continued)

The county's contribution rate for nonhazardous employees was 7.28 percent for the first six months of the year and the 7.17 for the last six months of the year.

Benefits fully vest on reaching five years of service for nonhazardous employees. Aspects of benefits for nonhazardous employees include retirement after 27 years of service or age 65. Historical trend information pertaining to CERS' progress in accumulating sufficient assets to pay benefits when due is present in the Kentucky Retirement Systems' annual financial report which is a matter of public record.

Note 3. Deposits

The Sheriff maintained deposits of public funds with depository institutions insured by the Federal Deposit Insurance Corporation (FDIC). According to KRS 66.480(1)(d) and KRS 41.240(4), the depository institution should pledge or provide sufficient collateral which, together with FDIC insurance, equals or exceeds the amount of public funds on deposit at all times. In order to be valid against the FDIC in the event of failure or insolvency of the depository institution, this pledge or provision of collateral should be evidenced by an agreement between the Sheriff and the depository institution, signed by both parties, that is (a) in writing, (b) approved by the board of directors of the depository institution or its loan committee, and (c) an official record of the depository institution. These requirements were met, and as of December 31, 2000, the Sheriff's deposits were fully insured or collateralized at a 100% level with collateral of either pledged securities held by the Sheriff's agent in the Sheriff's name, or provided surety bond which named the Sheriff as beneficiary/obligee on the bond.

Note 4. Grants

During calendar year 2000, the Sheriff received proceeds from one state grant. The grant that was awarded was the Methamphetamine Grant in the amount of \$12,219. Proceeds were turned over to the Fiscal Court to pay appropriate expenditures.

Note 5. Kentucky Law Enforcement Incentive Program

The McCracken County Sheriff is involved in the Kentucky Law Enforcement Incentive Program administered by the Department of Justice. This program is designed to encourage officers to become more adequately trained. During 2000, the Sheriff received \$130,324 under this program.

Note 6. Drug Enforcement Fund

The Sheriff has custody of a bank account that contains the Drug Fund and Drug Awareness and Resistance Education Fund. The account is funded by donations and court ordered forfeitures and contributions. The funds are used to pay for various drug enforcement operations, equipment, and education.

As of January 1, 2000 the account balance was \$59,619; during the year, funds were received in the amount of \$29,512 and funds were disbursed in the amount of \$44,717, leaving a balance of \$44,414 at December 31, 2000.

Report On Compliance And On Internal Control
Over Financial Reporting Based On An Audit Of The Financial
Statement Performed In Accordance With Government Auditing Standards

We have audited the statement of receipts, disbursements, and excess fees of the McCracken County Sheriff for the year ended December 31, 2000, and have issued our report thereon dated October 3, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the McCracken County Sheriff's financial statement for the year ended December 31, 2000, is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the McCracken County Sheriff's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statement and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses.

Report On Compliance And On Internal Control
Over Financial Reporting Based On An Audit Of The Financial
Statement Performed In Accordance With Government Auditing Standards
(Continued)

Internal Control Over Financial Reporting (Continued)

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statement being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of management and is not intended to be and should not be used by anyone other than the specified party.
